# LIMITED WARRANTY FOR ONE YEAR

## Warranty.

A1 Cabinet and Granite, also known as A1, warrants that all cabinets sold by A1 are free from defects in material and workmanship under normal use for a period of one year (1) limited warranty from the date of purchase. This warranty is only applicable to products used in residential applications and is not transferable to subsequent owners. This warranty shall become void if the cabinets are in any way modified, improperly assembled, installed or damaged prior to or during the installation. Furthermore, this warranty will not apply to cabinets damaged by misuse, neglect, abuse, exposure to moisture, exposure to extreme temperatures or the effects of normal wear and tear.

## Variations and Environmental Exposures Not Covered.

By purchasing the product, the original purchaser acknowledges that natural woods may vary in color, characteristics and exhibit subtle changes as they age. Sunlight, smoke, moisture, household cleaners and other environmental conditions may also affect the color match, or cause the materials to warp, split, or crack over time. These variations are the nature of the material in relation to their environmental exposure and are not covered under this warranty.

## Updated Product Lines.

A1 periodically updates and makes changes to its product line and specifications. If a warranty claim is filed after a A1's product becomes obsolete, A1 reserves the right to alter specifications and material without obligation to make similar changes to products previously manufactured. A1 will replace the part under warranty with a new part of the same style or with a similar style currently offered, but A1 cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the residential application. This is due to the changes that occur during the woods natural aging process, affecting its color and grain.
